SWISS LANGUAGE CLUB

DAY CAMP JUNIOR PROGRAM | 5 - 30 JULY 2021

Swiss Education Academy

Day Camp in Montreux, Switzerland | For 10 - 17 year olds

YOUR **LEARNING** EXPERIENCE

The dynamic Swiss Language Club gives young people the opportunity to discover and explore a variety of new languages – and have a whole lot of fun at the same time!

Our team of experienced teachers combine classwork with practical exercises to make the most of our unique teaching settings. We welcome all levels, from beginners to advanced speakers.

We understand that learning shouldn't be confined to the classroom. That's why classes take place in the morning, and afternoons are filled with a range of activities and experiences specially chosen to encourage personal growth.

Our learning environment is designed to be safe, inclusive, and fun. You will meet students from around the world, discovering different cultures and making new friends along the way. You'll receive supervision and guidance from enthusiastic, fully-qualified professionals, so you'll feel confident that you're well cared for.

This camp will open your eyes to a world of new possibilities and create unforgettable memories you'll treasure for a lifetime.

COURSE OUTLINE

 [TOUR OUR CAMPUS](#)

Language Development (first and third week of July)

The aim of this week is to introduce or develop your language understanding in either French, English, or German, and allow you to establish your group of friends on the program.

Personal Development (second and fourth week of July)

During this week the focus is on helping you to present yourself and your personal brand. Career counselling, managing social media, and college preparation will be introduced in the language you are learning.
